Dear Ms. Lamont:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2016-000657), submitted on April 22, 2016, in which you requested the following:

“... copies of all documents concerning whether, when and under what circumstances the property located at 15000 Aviation Boulevard, Lawndale, California 90261, became a “federal enclave” under Article I, Section 8, clause 17 of the U.S. Constitution. This request includes, but is not limited to, the deed of purchase, any filing, submission or correspondence of Notice that the Federal Government accepts exclusive jurisdiction, and documents describing California’s legislative consent that the Government of the United States may acquire the property for its exclusive use.”

Enclosed please find the documents responsive to your request. These documents include:

1. Corporation Grant Deed from Douglas Aircraft Company, Inc. to the United States of America, dated October 3, 1961.
2. Chapter 966 of the Statutes of California, regarding an act to amend Section 126 of the Government Code, granting concurrent jurisdiction on lands acquired by the United States.

This completes our action on this request. Should you have any questions concerning this matter, please contact Dana Macfarlane at (310) 235-6239 or by email to dana.macfarlane@gsa.gov.

Sincerely,
